

bos·s®

WELCOME TO bos·s®

bos·s® is one of the trusted brand in thermal products which designed to bring care and values to you and your family. Since 1978, our company has produced a wide range of products suitable for everyone from babies to adults and seamlessly fit for indoor and outdoor activities.

We choose the best materials and produce with consistent quality and reliable performance with the finest design as in trendy and innovative. We ensure our products comply with all recognized safety standards as our products are tested by independent labs to ensure all materials and processes are safe.

Our **SUS304/316** stainless-steel material is resistant to rust, oxidation and stains.

Tritan from Eastman plastic is our bos's plastic drinking bottle main material. Tritan plastic is most safest plastic in the world. Not only BPA free, but also free from BPS (bisphenols) and all other Bisphenols.

As our core mission is to infuse the idea of “**Go Healthier, Go Reuse, Go Green**” among our society.

For the market extend, we have been exporting products to countries world-wide including Malaysia, Indonesia, Brunei, Singapore and many more.

bos·s® bring warmth to every home, and enhance your lifestyle.
